THRIVE Causeway is a new magazine for businesses and the wider local community within the Causeway Coast and Glens region. Created by Causeway Chamber, we feel there is an abundance of information and opportunities which we believe we can communicate to our members and wider business community about business challenges and opportunities aligned to the Chamber's Key Priorities 2018-2020 Infrastructure, Skills and Growth. Thrive Causeway will also be an excellent tool for the Chamber to promote and engage with all businesses in the region, to support business to business engagement and encourage businesses to trade locally which in turn will help our economy & local businesses thrive.
