

# FAMILY BUSINESS OF THE YEAR

The Family Business of the Year Award was created to celebrate the family business sector, to recognise the diversity of family firms across the Causeway Coast and Glens Borough and to celebrate the contribution that they make.

We are looking for family firms, irrespective of their size, family firms that use their family nature and values to build successful businesses and represent great ambassadors for the sector as contenders for this category

## WHO SHOULD APPLY?

This category is open to all family owned and run businesses in the Causeway Coast & Glens Borough.

## AWARD SPONSOR

Providing environmentally-friendly fuel to more than 5,500 homes and businesses in the Causeway Coast and Glens Super Council area, natural gas provider **firmus energy** recognises the excellent work being carried out by local firms in terms of reducing adverse environmental effects.

With natural gas being the cleanest fossil fuel, we strive to make it as easy as possible for companies to reach their 'green' goals. Our employees all receive accredited training in energy efficiency, which allows them to work with customers to make homes and businesses energy efficient. We ensure fuel is optimised rather than wasted, enabling customers to save money on fuel bills each month.

With additional customer services benefits in place for businesses, such as a dedicated firmus energy representative and a user-friendly online payment system, customers do not need to waste time or energy to get answers or assistance from us.

We would like to wish all companies the very best of luck in these awards!
